

Business Authorisation Form ELECTRICITY

**Total Utilities Management Group Ltd
PO Box 51-992
Pakuranga 2140
AUCKLAND**

This form authorises Total Utilities Management Group Ltd (Total Utilities) to negotiate an Energy Supply Agreement on our behalf with all applicable energy retailers. As such, we appoint Total Utilities as our exclusive energy consultant / broker for the purposes of managing a one off Energy Request for Proposal (RFP).

In this regard our Energy RFP will be issued within four months of the expiry of any existing Energy Supply Agreement we may have – Total Utilities will verify this date and advise us accordingly. If we are currently being supplied on an uncontracted basis our RFP will be issued by Total Utilities within four months of signature of this Authorisation Form.

This Authorisation Form is valid for 12 months after the date of signature below.

Total Utilities is hereby authorised to request the applicable data from our existing energy retailer(s) including but not limited to the existing contract expiry date(s), detailed TOU usage data (kWh), NHH usage data (kWh), demand data (kVA and KW), reactive load data (kVAr and PF), customer transaction summaries, ICP numbers, invoices, meter details, existing prices/detailed price breakdown, local network charges and any other aspects of our energy account.

This authority does not give Total Utilities any mandate to make binding commitments on our behalf.

As such, it is acknowledged that all information presented both by and to Total Utilities is to be kept in strict confidence by both parties. It is also acknowledged that this Authorisation Form is intended to comply with the requirements of the Privacy Act.
